About the Urology Simulation Boot Camp Course

The Urology Simulation Boot Camp is an innovative, hands-on, and simulation-rich training course designed to provide a highly practical and interactive learning experience..

Target Audience: Urology trainees and practicing urologists seeking to enhance their technical skills.

Course Highlights: Focused simulation-based training in:

- Laparoscopy and basic Robotic skills
- Ureteroscopy and Laser/PCNL
- TURP and TURBT
- REZUM Therapy
- Prostate Aquablation
- Green Light Laser Prostatectomy
- Urodynamics
- Intravesical Botox, Bulkamid and Sacral Neuromodulation

The course places strong emphasis on one-to-one, hands-on training, ensuring participants gain confidence and competence in key urological procedures through direct, guided practice.

Why Attend?

Learn from Expert Faculty:
Gain insights and guidance from leading specialists in urology.

Personalized Training:
Benefit from one-to-one, hands-on instruction tailored to your learning needs.

Enhance Surgical Skills:
Practice on high-fidelity simulation models to build confidence and precision.

Network with Leaders:
Connect with peers and renowned professionals in the field of urology.
